

CALL FOR VOLUNTEERS

2024-2025 ACLP Committees

ACLP CALL FOR VOLUNTEERS

Volunteer your skills and expertise with ACLP for the upcoming 2024-2025 Committee year!

Our progress is fueled by the hard work of a dedicated network of over 200 volunteers. More than 30 different ACLP committees, work groups, and task forces come together to achieve the goals laid out in the ACLP Strategic Plan. Volunteering with ACLP is also an opportunity to network with child life professionals across the country and around the world, build new skills, and develop your leadership ability all while giving back to the larger child life community. Committee participation is also an excellent stepping stone for members aspiring to serve on the Board of Directors.

Applications will be accepted and processed in sequential order.

All volunteers must be in good standing with ACLP and an ACLP Member when applying and throughout their year commitment.

We ask you to please consider joining a committee to help accomplish the critical work of the upcoming year! Read on below to see which committees are actively recruiting volunteers, volunteer requirements, and more.
