Once an individual has completed the academic requirements and a clinical internship, they need to ensure that all their coursework, degree information, and clinical experience verification form have been entered into their Eligibility Assessment.

3. FINALIZE ELIGIBILITY ASSESSMENT

Once an individual has passed all components of their Eligibility Assessment, they will be eligible to sit for the exam. Individuals will be notified via email that they have met all the requirements as well as the link to register and pay for the exam.

4. REGISTER & PAY FOR EXAM

Once an individual has registered and paid for the exam, they will then receive an email from Promtetic that contains information on how to select a testing window and testing location.

5. SELECT EXAM DATE & TESTING LOCATION

Once an individual has registered and paid for the exam, they will then receive an email from Promtetic that contains information on how to select a testing window and testing location.

6. TAKE CERTIFICATION EXAM

Once an individual has registered and paid for the exam, they will then receive an email from Promtetic that contains information on how to select a testing window and testing location.
