Child Life Program ACLP Membership

Program membership allows child life leaders to bring all benefits of individual ACLP membership to their teams and add a host of new benefits specifically designed for child life programs.

Overview & Benefits

- Member registration rate for Child Life Annual Conference for all program staff.
- 10% discount on Child Life Professional Data Center (CLPDC) subscriptions.
- 10% discount on group webinar registrations.
- Recognition as a member program in the ACLP Child Life Program Directory.
- Exclusive use of the ACLP Child Life Program Member badge on print and digital materials.
- Staff included on program membership receive ALL benefits associated with their assigned individual membership type.

Program Membership allows child life programs to

- Give a membership slot to administrators, non-CCLS managers/directors, physicians, or other hospital staff who would benefit from additional exposure to child life.
- Provide staff with ongoing professional development through FREE member-only pop-up webinars and at a discounted rate through group webinar registration.
- Offer growth opportunities for staff by making them eligible to participate in the ACLP Mentor Program and serve on ACLP committees.
- Consolidate individual memberships for child life team members into a single billing cycle.
- Add or remove individuals from the program membership at any time throughout the year. You can do this online or call the ACLP Membership Team for assistance.

Ready to better support your child life specialists and the child life profession overall?

There are two ways to obtain a program membership for your team.

Online Self-Service

You must have the rights to edit your hospital's profile with ACLP in order to use the online self-service.

Additionally, all staff you wish to add to the program membership must have ACLP accounts that are tied to your hospital's record. [Join Today!](#)

Concierge Service

Contact the ACLP Membership Team at membership@childlife.org or 571-483-4500 and we will walk you through the process!
